Pays 16% per year and earning nearly three times the dividend annually.

From the President's Letter:

Letter:

"At a meeting of the Board of Directors, held July 30, it was agreed to set aside from net earnings an amount sufficient to pay dividends at this rate, in equality quarterly payment of 4%. The next quarterly dividend will be paid to stocknolders of record Sept. 1, 1917, and I am sanguine that the directors will be justified in declaring substantial additional disbursements from time to time, meanwhile permitting the accumulation of a strong cash surplus in the company's treasury."

We have prepared a comprehensive 12-page report, showing the wonderful possibilities of this company and including a letter from the President. Copy on request.
